

El Mago rosé 2017 (Natural Wine) DO Terra Alta *Franck Massard*

Keeping us faithful to our traditions of making a wine with very low or almost nonexistent levels of sulfites. We have prepared with our local producers the second vintage of our beloved Mago.

El Mago means “*the wizard*” echoing the magic of changing grapes into wine. It is also the contraction of the name of my daughter **Maya** and son **Hugo**, my 8 years old son is the master designer responsible for that unique and amazing drawing.

Origin

The area benefits from two winds, the Cierzo, coming from inland, dry cold in winter, warm in summer and the Garbi, a sea wind more humid blowing at night, refreshing the vines and creating a significant temperature difference which contributes to a good ripening of the grapes.
